

School of Medicine	Degree – Based							
	Organizing DPT	Courses	Entry Requirements	Degree	Start of courses	Length of courses	Admission Capacity	Language
	<i>Internal Medicine Dep.</i>	Fellowship of transplantation	Sub-specialty of nephrology	Fellowship	September	1 year	2 students	Persian-English
	<i>Basic Medicine Dep.</i>	Doctorate's Degree in Medicine	High School Diploma	M.D.	September and February	6-7 Years	20 Students	Persian-English
	<i>Infectious disease Dep.</i>	Infection in patients with immunodeficiency	Infectious disease specialist	Fellowship	September	18months	3students	English
	<i>Cardiac surgery Dep.</i>	Cardiac surgery	General surgery	Sub-specialty	September	3years	2-3 students	English
	<i>Microbiology Dep.</i>	(Ph.D) In Bacteriology	M.Sc. and M.D.	Ph.D.	Every year in February	4/5 years	2 students	English
		(M.Sc.) In Microbiology	Bachelor's degree in Microbiology	Master's degree	Every year in September	2-3 years	2 students	English
	<i>Anesthesiology Dep.</i>	Anesthesiology	General practitioner	specialty	September	4years	2 students	Persian-English
		ICU	Anesthesiologist	Fellowship	September	2years	1 student	Persian-English
Pediatric anesthesiology		Anesthesiologist	Fellowship	September	1/5 year	1 student	Persian-English	

**School
of
Medicine**

		Cardiac anesthesiology	Anesthesiologist	Fellowship	September	1/5year	1 student	Persian-English
		Pain Management	Anesthesiologist	Fellowship, specialty	September	1/5 year	-	Persian-English
	<i>Urology Dep.</i>	laparoscopy	Urologist	Fellowship	September	1year	1 student	English
		Endourology	Urologist	Fellowship	September	1year	1 student	English
		Kidney transplantation	Urologist	Fellowship	September	1year	1 student	English
	<i>Orthopedics Dep.</i>	Fellowship of pediatric orthopedics	Specialist in Orthopedic	Fellowship	September	1.5 Year	1 student	English
		Orthopedic fellowship of knee	Specialist in Orthopedic	Fellowship	September	1.5 Year	1 student	Persian-English
	<i>Biology & Anatomical Sciences Dep</i>	PhD in anatomical sciences	Master's degree in anatomical sciences and related majors, general practitioners (MD), veterinarians	degree PhD	September	3/5years	2 students	English
		PhD in reproductive biology		degree PhD	September	3/5years	2 students	English
	<i>Plastic surgery</i>	Fellowship of hand surgery	Specialist in Orthopedist-general surgeon	Fellowship	September	18months	2 students	Persian

<i>Parasitology Dep.</i>	PhD in Parasitology	-	Ph.D	September 2017	4-5 years	2 students	Persian
<i>Clinical psychology Dep.</i>	Master's degree in clinical psychology	Bachelor's Degree in Psychology Entrance Exam	Master's degree	October	2 years	2 students	Persian
	PhD in clinical psychology	MD/ Master's degree in psychology Entrance Exam Interview	PhD's degree	October	4 years	2 students	Persian
<i>Physiology Dep.</i>	Single channel records of potassium Endoplasmic reticulum and the study of possible changes in glucose metabolism in animals born to diabetic mothers	PhD in Physiology, Biophysics or neurosciences- being familiar with electrophysiology recording	Postdoc	January	1-2 years	1student	Persian-English
	Functional neuro-anatomy	PhD and being familiar with immunohistochemistry techniques and histochemistry enzyme	Postdoc	Depends on number of students and budget funding	1-2 years	1student	Persian-English-French
	The study of physiologic changes in ion channels in an animal model of autism	PhD and being familiar with intracellular recording , - being familiar with molecular techniques	Postdoc	January	1 year	1-2 students	Persian-English
	Molecular and electrophysiological study of pain	PhD in physiology and relevant majors	Postdoc	January	2years	1student	Persian-English
	Electrophysiology of learning and memory	PhD	Postdoc	January	1-2 years	1student	English

Degree Based

Organizing School	Courses	Entry Requirements	Degree	Start of Courses	Length of Courses	Admission Capacity	Language
School of Dentistry	PhD in Oral Health and Social Dentistry	General dentist	PhD	Every year in February	4 years and a half	1 student	English
	PhD in Dental Material	General dentist	PhD	Every year in February	4 years and a half	1 student	English
School of Nutrition	Bachelor in Nutrition	High School Diploma	Bachelor	September 2017	4 years	40 students	English
	Bachelor in Food Science and Industry	High School Diploma	Bachelor	September 2017	4 years	40 students	English
School of Nursing & Midwifery	MSN in Critical Nursing	Nurses and allied health professional	Master	Every year in October-January	2-3 years	1-2 students	English
	Bachelor in Nursing	High School Diploma	Bachelor	September 2017	4 years	15 students	Persian
	Bachelor in Midwifery	High School Diploma	Bachelor	September 2017	4 years	15 students	Persian
	Master of Science in Pediatric Nursing	Bachelor of Science in Nursing (BSN)	Master	September 2017	3-5 years	1-2 students	Persian/English
	MSN in Ault Nursing	Nurses and allied health professional	Master	Every year in October-January	2-3 years	1-2 students	English
	Master of Science in Neonatal Intensive Care Nursing	Bachelor of Science in Nursing (BSN)	Master	September 2017	3-5 years	1-2 students	Persian/English
	PhD in Nursing	Nurses and allied health professional	PhD	Every year in October	3-5 years	1 student	English

School of Pharmacy	Pharmacy	High School Diploma	Doctorate	September 2017	5-6 years	20-30 student	Persian/English
	PhD in Pharmaceutics	Doctor of Pharmacy	PhD	September 2017	5 years	1 student	Persian/English
	Pharmaceutical MBA (University based distance learning)	All the related degrees	MBA	September 2017	2 years	30 students	Persian/English
	PhD in Toxicology	Doctor of Pharmacy Doctor of Medicine Doctor of Veterinary Master's degree in toxicology	PhD	September 2017	4-5 years	1 student	English
	PhD in Pharmaceutical Nanotechnology	Doctor of Pharmacy Master's degree in one of the majors of biology: Chemistry, Nutrition, Biotechnology, Biomedical Engineering	PhD	September 2017	5 years	1 student	Persian/English
School of Rehabilitation Sciences	Bachelor in Physiotherapy	High School Diploma	Bachelor	September 2017	4 years	2 students	Persian/English
	Master in Physiotherapy	Bachelor's degree in Physiotherapy	Master	September 2017	2 years	1-2 students	Persian/English
	PhD in Physiotherapy	Master degree in Physiotherapy	PhD	September 2017	4 years	1 student	Persian/English
	Bachelor in Audiology	High School Diploma	Bachelor	September 2017	4 years	2 student	Persian
	Bachelor in	High School Diploma	Bachelor	September 2017	4 years	2 student	Persian

	Occupational Therapy						
	Bachelor in Optometry	High School Diploma	Bachelor	September 2017	4 years	2 student	Persian
School of Allied Medical Sciences	Bachelor in Technology of Radiology	High school diploma in mathematics or biology	Bachelor	September 2018	4 years	5 students	Persian
	Bachelor in Technology of Radiotherapy	High school diploma in mathematics or biology	Bachelor	September 2018	4 years	5 students	Persian
	Master in Biostatistics	Bachelor's degree in statistics	Master	Every year in October	3 years	1 student	Persian
	PhD in Biostatistics	Master's degree in biostatistics	PhD	Every year in February	5 years	1 student	Persian
	Master in Haematology	Bachelor's degree in laboratory science and molecular cell biology	Master	Every year in October	2-3 years	2 students	Persian
	PhD in Haematology	Master's degree in laboratory science or molecular cell biology or haematology	PhD	Every year in February	5-6 years	1 student	Persian
	Bachelor in Laboratory Science	High school diploma in mathematics or biology	Bachelor	Every year in October	4 years	5 students	Persian/English
	Master in Laboratory Science	Bachelor's degree in Laboratory Science	M.S.c	Every year in October	2-3 years	2 students	Persian
	Master of medical library information sciences	-	M.S.c	September 2017	3 years	2 student	Persian

	Clinical biochemistry	-	M.S.c	September 2017	2-3 years	5 student	English/French/Persian
	Clinical biochemistry	-	Ph.D	September 2017	3-5 years	5 student	English/French/Persian
	Medical laboratory technology	-	B.S	September 2017	4 years	10 student	English/French/Persian
	Ph.D in Medical Informatics	Master's degree in Medical Informatics	Ph.D	September/February	5-6 years	2 student	Persian
	Ph.D in Health Information Management	Master's degree in Health Information Management	Ph.D	September/February	5-6 years	2 student	Persian
	Medical Imaging Technology: MRI	Bachelor's degree in Radiology Technology	Master (course + Dissertation)	September 2017	2 to 3 years	5 students	English
	Master in Medical Imaging Technology: MRI	Bachelor's degree in Radiology Technology	Master (course + Dissertation)	September 2018	2 to 3 years	3 students	Persian
School of Health	Bachelor in Occupational Health Engineering	High school diploma	Bachelor	September 2017	4 years	5 students	Persian
	Bachelor in Public Health	High school diploma	Bachelor	Every year in September or October	4 years	5 students	Persian
	Bachelor Environmental Health	High school diploma	Bachelor	Every year in September or October	4 years	5 students	Persian
	MPH Public Health* Approach	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian

	MPH Disease Management	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
	MPH Accidents and Disasters	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
	MPH Environmental Health	Master's degree in environmental health	MPH	September 2017	3-6 months	15 students	Persian
	MPH Tobacco Consumption Control	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
	MPH Control of Substance Abuse	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
	MPH Geriatrics Health	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
	MPH Mental Health	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
	MPH Passive Defense Approach in Biological Risk/Hazards (Biological Defense)	MD, DMD, DVM	MPH	September 2017	3-6 months	15 students	Persian
School of Advanced Technologies in Medicine	Medical Biotechnology	MSc, MD	PhD	Jan 2017	4-5 years	4 students	English
	Tissue Engineering	MSc, MD	PhD	Jan 2017	4-5 years	2 students	English
	Applied Cell Sciences(Cell Therapy)	MSc, MD	PhD	Jan 2017	4-5 years	2 students	English
	Molecular Medicine	MSc, MD	PhD	Jan 2017	4-5 years	2 students	English

School of Medical Education Sciences	Master's degree in medical education	Bachelor's and master's degrees in medical sciences Medical Doctors—Doctor of pharmacy-Dentistry & clinical specialties and subspecialties - faculty members of Medical science DPTs	Masters 'degree	February	3/5years	50 students	Persian
School of Health, Safety and Environment	B Sc in Industrial Safety	High School Diploma	B Sc	September 2017	4 years	2 students	Persian /English
	M Sc in Industrial Safety Management	B Sc	M Sc	September 2018	2 years	2 students	Persian /English
	M Sc in Health, Safety and Environmental Management	B Sc	M Sc	September 2017	2 years	2 students	Persian /English
	M Sc in Ergonomics	B Sc	M Sc	September 2017	2 years	2 students	Persian /English
	Ph. D in The Health in Disasters &Emergencies	M Sc	Ph D	September 2017	4 years	1 students	Persian /English
	B Sc in Occupational Health Engineering	High School Diploma	B Sc	September 2017	4 years	20 students	Persian /English
School of Traditional Medicine	Traditional pharmacy	Pharm D or equivalent degrees	PhD	Sep 2017	4.5 years	3-6	English/Persian
