The latest educational ranking of medical universities demonstrates that SBUMS, Tehran and Shiraz are the top three universities, respectively.

Our History

Shahid Beheshti University of Medical Sciences is one of the three medical universities in Tehran, the capital of Iran. It began its mission in 1961 with establishing the Schools of Medicine and Dentistry as Melli University (National University). Since 1986, it’s name has been changed to Shahid Beheshti University of Medical Sciences.

</table>

The university is publically funded and its fundamental cornerstones include the board of trustees, chancellor, and the university council. Furthermore, eight vice-chancellors in academic & education, research technology, health, international, treatment, food and drug, administration & resources development and student affairs are the main wings of the university in fulfilling its tasks.

Who We Are?

There are 12 schools at SBUMS with a wide range of educational, lab and research facilities along with large number of faculty members including professors, associate professors, assistant professors and instructors, all responsible for educating the student in different medical fields.

Address: 7th Floor, Bldg No.2 SBUMS, Arabi Ave, Daneshjoo Blvd, Velenjak, Tehran, Iran.
