Chief, Section of Endocrinology,  
Diabetes and Nutrition  
Boston Medical Center

September 3, 2002

Aref Salehi, MD  
President  
Gollesan University School of Medicine

Dear Doctor Salehi:

This is to inform you that the Section of Endocrinology, Diabetes and Nutrition of Boston University School of Medicine, Gollesan University School of Medicine, and the Endocrine Research Center of Shaheed Beheshti University of Medical Sciences propose to collaborate on the following clinical research projects:

1. Dietary iodine study in a pediatric population in Gollesan Province, Iran
2. Dietary iodine status and breast milk iodine content in lactating women.
3. Thyroid volume and dietary iodine status in school-age children in Gollesan Province, Iran
