## MEMORANDUM OF COLLABORATION

In order to further strengthen international cooperation and external relation in the field of education, research, and academic culture, the Pharmaceutical Sciences Research Center at Shahid Beheshti University of Medical Sciences (PSRC-SBMU) represented by the president, professor Farshad H Shirazi, and Faculty of Pharmacy at Universiti Teknologi MARA (Pharm-UiTM) represented by the dean, professor Dr. Abu Bakar Abdul Majeed, on the other hand, have signed a Memorandum of Collaboration.

The purpose of this Memorandum of Collaboration is a mutual desire to promote international cooperation in education and research, as well as exchange of faculty members and students.

To achieve the objective of this Memorandum of Collaboration, the parties agree to the following items:

- a) Education:
  - a. Joint teaching of courses at the different levels of pharmacy degrees (B.Sc., M.Sc., Pharm.D. and Ph.D.) by the professors in both centers.
  - b. Collaborative students' theses co-supervision by professors in both centers on mutual interests.
  - c. Joint virtual online journal clubs, educational webinars, and congresses.
- b) Research:
  - a. Extension of IPharmS international mega-project of the herbal data bank (Ganjineh Daruiee) to Malaysia through the involvement of Pharm-UiTM in the international execution team.
  - b. Joint multi-central clinical trials based on mutual priorities.
  - c. Collaborative research in the field of radio-pharmacy.
- c) Students Affair:
  - a. Collaborative online webinars, workshops, and IFGD programs on mutual interests
  - b. Virtual online collaborative cultural events on mutual interests
  - c. Establishment of an International Pharmacy Students (IPharmS) network office in Pharm-UiTM for international team working.
  - d. Students exchange programs for visits and short training purposes.

Initiation and execution of any particular project under this Memorandum of Cooperation may be supplemented by additional agreements in writing signed by both parties and funded on the basis of agreements between the parties, using financial instruments held by the parties or, if necessary, the resources of organizations and institutions participating in cooperation.
