

## **Bahman Ashraf Noubari: curriculum vitae**

### **Personal data.**

**Name:** Bahman Ashraf Noubari.

**Date of birth:** June 14, 1960.

**Place of birth:** Bandar Anzali (IRAN).

**Citizen :** Iranian.

**Adress:** via Masaccio 192 Firenze 50132 (Italy).

**Fax:** 0039 055 79477427

**Mobile number :** 0039-3347382152

**Email:** bahman.noubari@gmail.com

**He has been working as consultant in the Neurosurgical Division of the “Careggi” Hospital at the University of Florence, Italy since July 29<sup>th</sup> 1999.**

### **Personal titles and qualifications.**

1990 : He took the degree in Medicine in the University of Catania discussing the thesis “Rectal leiomioblastoma” .

He passed the national examination to be qualified to practice medicine in Italy.

1991: He was enrolled in the in the medical register of the Province of Catania.

1991-1996: He attended the Residency School in Neurosurgery of the University of Catania, supported by a scholarship awarded after a public examination.

1993: He was enrolled in the medical register of United Kingdom of Great Britain.

1996: He was enrolled in the register of neurosurgeon specialists of the United Kingdom of Great Britain.

2009: He was enrolled in the register of neurosurgeon of Swedish

2014: He was enrolled in the register of medical council of Islamic R. of Iran

2017: He was enrolled in the register of neurosurgeon of Islamic R. of Iran

## **- Training**

1984-1985: He was trained as neurosurgical resident in the Neurosurgical Residency Program of the University of Catania.

1985: He attended a microsurgical updating course in the Neurosurgical Clinic of the University of Zurich.

1990: From May till July he attended the Medical Angiology and Sport Medicine Divisions in the Department of Medical Clinic and Therapy of the University of Catania.

1990: From July till September he attended the Surgical Pathology Division of the University of Catania.

1990: From September till October he attended the Division of Obstetrics and Gynecology of the University of Catania.

1990: From October till November he attended the Service of Pathology and Histology of the University of Catania.

1993: He attended, from April 16<sup>th</sup> till June 26<sup>th</sup>, an English language course held in the University of Sheffield (UK).

1994-1995: He attended, as neurosurgical resident, the Neurosurgical Division of the Borgotrento Hospital, Verona under the tutorial of professor R. Da Pian participating both in the scheduled and emergency neurosurgical procedures.

1995-1996: He worked as registrar in Neurosurgery in the Preston Hospital (UK) from September 11<sup>th</sup> till October 1<sup>st</sup> 1995, from February till March 1996, from March 25<sup>th</sup> till July 31<sup>st</sup> 1996.

1996: He visited the Neurosurgical Division in Shohada Hospital of University of Melli directed by Prof. Tabatabaie from June to September

1996: He attended, in October, the Neurosurgical Division of Royal London and St. Bartolomew Hospitals under the tutorial of professor Afshar.

1996: He passed the examination in English medical language in Manchester.

1996-1997: He attended the Neurosurgical Division in Frenchay Hospital (UK) from December 2<sup>nd</sup> till February 4<sup>th</sup>.

1997: He worked as neurosurgical registrar in Derriford, Plymouth (UK) and in Frenchay Hospitals.

1997: He participated in the intracerebral monitoring course in cranial traumatology in Cesena from April 15<sup>th</sup> till 21<sup>st</sup>.

1997-1998: He worked as Neurosurgical Specialist in the Neurosurgical Division of the "Cannizzaro" Hospital, Catania from August 19<sup>th</sup> 1997 till December 21<sup>st</sup> 1998.

1998: He attended the Neurosurgical Division of "Umberto I " Hospital, Ancona.

1998: He hired indefinitely as Neurosurgical consultant at the Neurosurgical Unit of the Careggi University Hospital, Florence, Italy.

2009: He attended visited for training in the Spine Center at the Diakonie-Klinik, Stuttgart (Germany) from September 07 to 09.

2009: He attended visited for training in the Spine Center at the Orthopedische-Klinik, Lichtnau (Germany) on September 10.

2009: He was enrolled in the medical registry of the Swedish Neurosurgeons

2014: Appointed senior consultant (highest position) at the Neurosurgical Department of the Careggi University Hospital, Florence, Italy

## **- Professional Activities**

1991: He participated in the 4<sup>th</sup> Congress of the Italian Society of Laser Medicine held in Catania.

1995: He participated in 2<sup>nd</sup> International conference on Acoustic Neuroma surgery 2<sup>nd</sup> European Skull Base society congress, 22-26 April

1997: He participated in the interdisciplinary cooperative study of cranial traumatology on "Postraumatic hydrocephalus" in the Neurological Clinic of the University of Bologna on March 14<sup>th</sup>.

1998: He participated in the workshop “Neurosurgical treatment and surgical strategies in giant intracranial aneurysms”, Sondalo, Italy, January 24<sup>th</sup>.

2000: He participated in the International Meeting and Workshop on “The use of bone substitute TIBON in cervical spine surgery” on May 19<sup>th</sup> in “Careggi” Hospital, Florence.

2000: He participated in the meeting of the Italian Group of Study of Spinal Surgery on “Vertebral metastasis: surgical indications and techniques”, Florence July 14<sup>th</sup>:

2001: He participated in the satellite simposium of neurotraumatology of the 50<sup>th</sup> Congress of the Italian Neurosurgical Society, December 4<sup>th</sup> till 7<sup>th</sup>.

2002: He participated in the 2<sup>nd</sup> Forum on neurosurgical endoscopy, Bologna May 10<sup>th</sup> -11<sup>th</sup>.

2002: He participated in the 51<sup>st</sup> Congress of the Italian Neurosurgical Society, Bolzano, September 18<sup>th</sup>-21<sup>st</sup>.

2002: He participated in the International Congress “Intimidating Cerebro-Vascular Diseases: Current opinions, treatment options, outcome and pitfalls”, Vicoforte di Mondovì, Cuneo, Italy, October 24<sup>th</sup>-26<sup>th</sup>.

2006: He collaborates, as neurosurgical advisor, with Banca Toscana Italy.

2006: He collaborates, as neurosurgical advisor, with Police of Prato (Italy).

2006: He collaborates, as neurosurgical advisor, with Police union of Florence (Italy)

2009: He collaborates as neurosurgical advisor with a Carabinieri of Florence (Italy).

2009: He collaborates as neurosurgical advisor with a Guardia di Finanza of Florence (Italy).

2009: He participated in the “workshop neurosurgical treatment and surgical strategies Protes in cervical spine surgery” Ferrara (Italy) July 10.

2009: He participated in the workshop “the oseeofix cadaver lab training university of Wien (Austria) July 18.

2014: He participated in The International Congress of neurosurgical society of Iran, Tabriz 10-12 october

2015: He participated at 39<sup>th</sup> Meeting of Neurosurgical society of Iran in Tehran on 16 to 20<sup>th</sup> april

2015: He participated in The International Congress of neurosurgical society of Iran, Hamadan 8-10 october

He is invited every year at the National meeting of the Iranian Society of Neurosurgery as a speaker of at least two presentations

2019: He participated in the workshop proton therapy and post surgical treatment (Trento Italy).

### **- Scientific papers and Congress publication**

1995: "Transinusal fronto-ethmoido-sphenoidal approach to upper and lower clivus chordomas", 2<sup>nd</sup> European Congress of Neurosurgery, Paris April 22<sup>nd</sup>.

1995: "Infectious complicances of ventriculo-peritoneal shunts in hydrocephalus", "Practical therapy".

1997: "Multiple primary cerebral hydatid cysts", British Journal of Neurosurgery, 1997, 11; 3.

1997: "Bilateral carpal tunnel syndrome in childhood: case report and literature review", Acta Chirurgica Mediterranea, 1997; 13:191.

1997: "Spontaneous intramedullary hemorrhage", Ricerca Neurochirurgica 1997; 1-4.

1998: "Spinal malignant melanotic schwannoma", J. of Neurosurgical Sc. 1998;42: 245-249.

1999: "Mesencephalic syndrome due to hydrocephalus secondary to aqueductal stenosis", Neurobiologia 1999: 45.

2000: "Neurosurgical implications of neurofibromatosis type 2", Regional Meeting on Neurofibromatosis, University of Siena.

2000: "Neurosurgical treatment of intraspinal lumbar synovial cysts: review of 35 cases", Congress of Italian Neurosurgical Society.

2000: "Trigonometric method to calculate stereotactic coordinates of invisible targets in functional neurosurgery", Congress of Italian Neurosurgical Society.

2000: "Multiple cerebral abscesses due to *Bacteroides melanogenicus*: case report and literature review" Congress of Italian Neurosurgical Society (Published also on "Neurobiologia" 46: 161-165; 2000).

2000: "Combined treatment surgical and radiotherapy of pituitary adenomas" Congress of Italian Neurosurgical Society.

2000: "Third ventricle cavernous hemangioma: case report" Congress of Italian Neurosurgical Society.

2000: "Visual deficit following surgical treatment of anterior communicating aneurysm" Congress of Italian Neurosurgical Society.

2000: "Familial aneurysm" Congress of Italian Neurosurgical Society.

2000: "Intraventricular neurocytoma: case report", Neurobiologia 46: 1/2; 59-62, 2000.

2000: "Transdural neoplasms of cranial base: therapeutic approach" VI Congress of Italian Cranial base Society, Livorno 22<sup>nd</sup>-24<sup>th</sup> 2000.

2000: "Lhermitte-Duclos and Cowden disease. Clinical, pathological and neuroimaging study of a case" J. of Neurosurg. Sc. 2000.

2002: "Microarterio-venous malformations: diagnostic and therapeutic features in a series of patients", AJNR 23: 945-952; 2002.

2002: "Epidural ex vacuo hematomas during neurosurgical procedures". Congress of Italian Neurosurgical Society.

2003: "Angioplasty and intracranial stenting in vertebrobasilar ischemic stroke: report of three cases" Rivista di Neuroradiologia 16:111-119, 2003.

2014: "Treatment of Blood Blister like Aneurysms" International congress of Iranian Neurosurgeons Tabriz

2015: "Endovascular treatment of pediatric AVM with Onyx" 32<sup>th</sup> meeting of society of Iranian Neurosurgeons Teheran

2015: "DBS in Parkinson's disease: our experience" International congress of Iranian Neurosurgeons Hamadan

2016 : Preoperative Embolization of CNS tumors: 33ht meeting of society of Iranian neurosurgeons Teheran

2016: A rare Association between Meningioma and Two Intracranial Vascular Lesions case Report. Iranian Journal of Neurosurgery volume 2 , Number 1 ( 6-2016)

Delayed Bilateral Symptomatic Vasospasm after Resection of a Skull Base meningioma : report on a New Case and literature Review. Iranian journal of Neurosurgery volume 2, Number 1 ( 6-2016)

Foreign Body reaction mimicking intracranial abscess following the use of oxidized regenerated cellulose (surgicel<sup>TM</sup>): case report and literature Review. Iranian journal of Neurosurgery volume 2, Number 2 ( 9-2016)

2017: Management of the polytrauma in a HUB centre 34<sup>th</sup> meeting of society of Iranian Neurosurgeons Teheran

**2020: Are familial colloid cysts of the third ventricle associated with worse clinical course than sporadic forms? Case illustration and systematic literature review . Journal of Neurosurgical Sciences 2020 feb**
