The involved Parties mutually commit to fostering the exchange of knowledge and information related to primary healthcare matters, accomplishments, and advancements in the enhancement of healthcare personnel, as well as the provision of advisory and managerial support services.

Paragraph 4: Exchange of Academic Staff

The Parties will develop a mechanism for exchange of academic staff for mutual benefit of both sides.

Paragraph 5: Exchange of Resources in Education and Research

The Parties will provide available facilities and undertake local managements needed for the effective conduct of specific activities as may be defined in a work plan to be jointly evolved by the parties.

Paragraph 6: Exchange of Students

The Parties will promote exchange of students for short-term and long-term studies in fields of mutual interest.

Paragraph 7: Exchange of Information

Exchange of technical data and information relating to fields of mutual interest with

respect to the laws of both countries.

Paragraph 8: Faculty Members Visits

The Parties will make every reasonable effort to establish joint programs. The Parties will support arrangement for such visits.

Paragraph 9: Knowledge Partnerships

Collaboration in the creation and advancement of knowledge-based enterprises within specified domains.

Paragraph 10: Scientific Synergy

Conducting collaborative webinars and scientific assemblies, as well as expediting the publication of scholarly articles.

Paragraph 11: Implementation and Funding

Each party will designate one officer who will regularly exchange information to identify priorities for cooperation on the field of mutual interest.

1. Each of the participating institutions shall be fully responsible financially for the activities carried out under its direction or by its staff, except as otherwise agreed by the parties.
2. All cooperative activities under this MOU will be subject to the availability of funds to both sides.

Paragraph 12: Intellectual Properties

Both institutions will ensure that any results and publications originating from this collaboration will be available for the two sides and will be published as a joint work with the name of both institutions included.

Paragraph 13: Amendments and Disputes Settlement

This Memorandum of Understanding may be amended by written agreement signed by the representatives of both universities. Any dispute arising out of the interpretation and/or implementation of this Memorandum of Understanding shall be settled amicably in good faith through consultation or negotiation between the universities without reference to any third party or any international tribunal.

Paragraph 14: Legal Statute

This MoU will be carried within the framework of the respective laws and regulations of the two countries and is not intended to create any legal binding rights or obligations.

Paragraph 15: Duration, Renewal and Termination of MoU

This Memorandum of Understanding will come into effect immediately after signature by the representatives of both Shahid Beheshti University of Medical Sciences and Management and XXXX University for a period of 5 years. The MoU may be renewed upon mutual written consent by both universities at least SIX (6) months prior to the date of termination. Any modification to the present agreement shall be undertaken by mutual decision in writing and any new changes will start on a date agreed by both universities. Either university may terminate this MOU by giving SIX (6) months' notices in writing. Termination of the agreement is subject to finalization of decided common projects and activities.

This MoU comprising of a preamble and 15 paragraphs was signed in duplicate in Persian and English languages, at Tehran on 28/10/2025, corresponding to 06/08/1404 all of which are equally valid.
